

Candidate Number \_\_\_\_\_

**AMERICAN COLLEGE OF VETERINARY PATHOLOGISTS  
CLINICAL PATHOLOGY EXAMINATION - 2009**

**CLINICAL BIOCHEMISTRY SECTION**

**50 Multiple Choice Questions**

**INSTRUCTIONS:**

1. Place your candidate number on this cover sheet of the examination booklet and verify that the correct candidate number is on the computer graded answer sheet.
2. You will be given 3 hours to complete this section, which includes 50 multiple-choice questions AND 4 cases for discussion. The multiple-choice section is 50% of the total score and the 4 cases are 50% of the total score. Budget your time accordingly.
3. For each of the multiple choice questions, select ONE appropriate answer and mark it on the answer sheet. Credit will be given only for those answers recorded on the computer graded answer sheet. All questions for which more than one answer or NO answer is marked will be recorded as incorrect. Be certain that any corrections are erased completely.
4. Reference intervals have been provided with individual questions where deemed appropriate. Note that reference intervals for selected tests may vary from question to question due to laboratory variations.
5. If you have a question during the examination, please raise your hand and an examination committee member will come to you.
