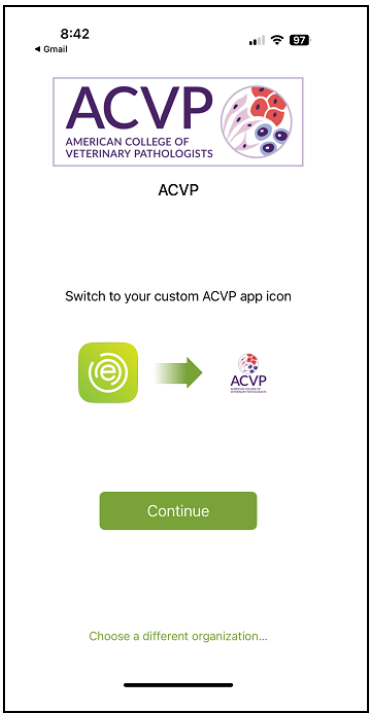
Accessing the 2025 ACVP Annual Meeting Mobile App – New Users

- While in the app store on your device search for "Eventsential" and download to your device

- On the Welcome screen, search for ACVP
- Select the "ACVP 2025" event icon and click "Continue."
- On the purple screen, click the ACVP Annual Meeting banner.

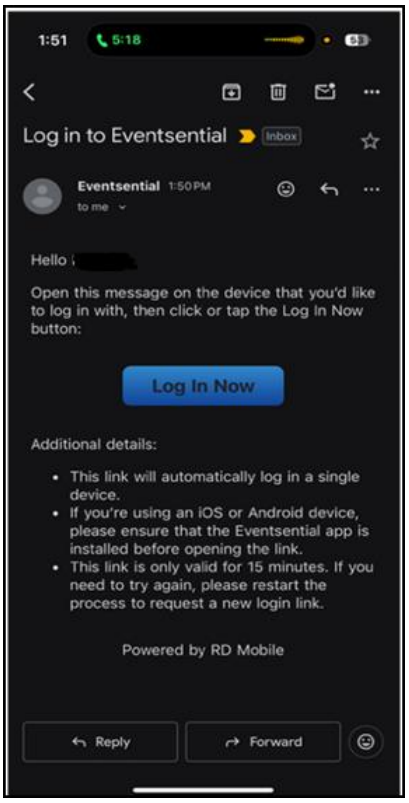
- When prompted to update the ACVP app icon click "Continue", this will change the app icon displayed on your device from the green Eventsential icon to the purple colored ACVP Meeting icon.



- From the next screen click be sure to click the “ACVP Annual Meeting banner” and then click “Select this event” **(Do not click “Upcoming” or “Enter Access code” or “login”)**

- On the next screen, click “Log In with an Email Link.”
  (**The email you will be using needs to be accessible from the device you are loading the app onto**)
  Enter an email address on the device you will use to access the app where a log-in link can be sent. Select “Send Link.”
- On next screen, enter your first and last name, and again select “Send Link.” (The login link that is emailed to you is only valid for 15 minutes. If you need to try again, please restart the process to request a new login link.)

- Open your email and click “Log In Now.”



- The next page will download and configure the event on your mobile device.

- A verification page will pop up. Enter the shared password “**VetPath2025”** then select “Verify.” Please note: The shared password will only be used once on the password verification page. If you log out and back in, you only need your email address.

Start enjoying the app!

Additional App Information

- Set up your profile to facilitate communication with other attendees, presenters, and exhibitors. See other attendee profiles under Connect & Network->Directory on the "More" screen of the mobile app.

- View sessions or individual presentations by clicking the Schedule icon at the bottom of the mobile app screen.

- Within each session, click on individual presentation records for speaker-provided Proceedings materials/handouts (if supplied by speaker).

- Search or filter the Schedule to quickly find sessions on specific day(s) by clicking on “Schedule” at the bottom, clicking the “Filters” button at the top, clicking the day(s), then clicking Apply at the top right. (Remember to remove the filter for future searches.)

- To remove Schedule filters, click the “Filters” button at the top, then click Clear at the top left.

- Create your own personalized schedule by clicking on “Schedule” at the bottom of the screen, navigating to a specific session, and then clicking the calendar icon next to the session or presentation title. Once you've chosen your planned activities for the week, click the "Selected” button at the top to view only your personal schedule.

- Visit More to see a link to the mystery slides and their case histories, a map of the meeting space within the hotel, and to find a full poster list (by presentation day) and map, nearby dining options and more.
