

Accessing the 2026 ACVP Annual Meeting App

ACVP is excited to share a new mobile app available to all 2026 Annual Meeting registrants. Accessing the app is easier than ever. You can access the app on your mobile device, tablet, and/or computer using a web browser.

You do not need to download the app from an app store. No password is needed, just a quick verification code sent to you during setup.

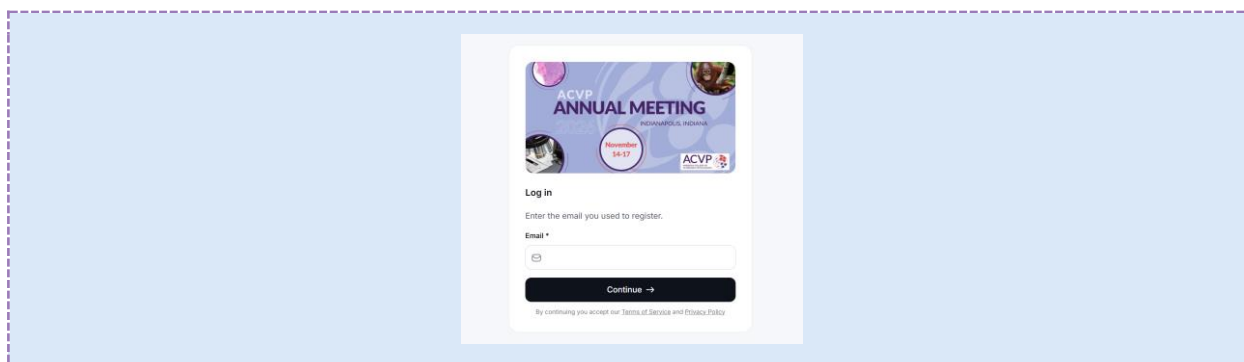

Time needed: About 2 minutes

Before you begin

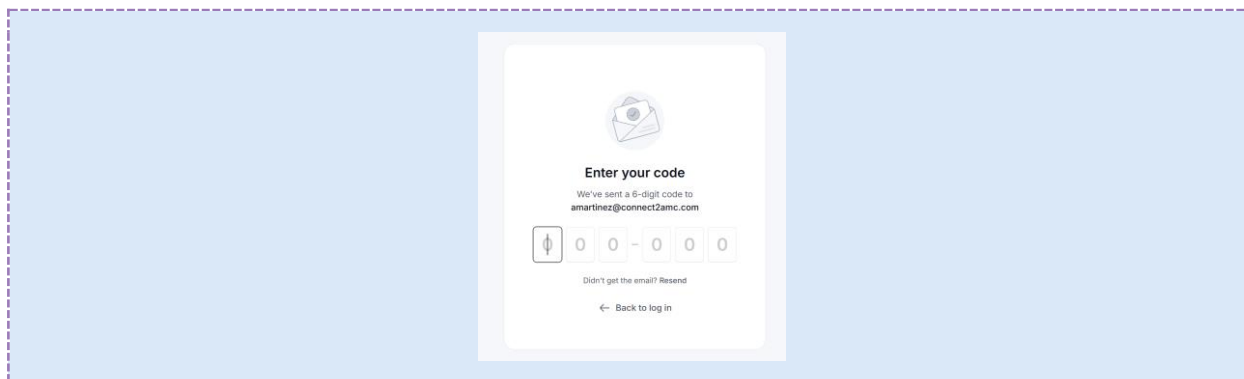

- Have access to the email address you used to register for the 2026 ACVP Annual Meeting.
- Have your phone nearby if you'd like to receive your verification code by text. Alternatively, you can access the app on your laptop using a web browser.
- Visit <https://acvp2026.highbar.events/> on the device on which you wish to view the app. **You can open it and sign in on more than one device.*

Step-by-step

1. Open the [app invitation link](#).

2. Enter the email address you used to register for the 2026 ACVP Annual Meeting.
3. Choose where to receive your verification code: **Email** or **Text message (phone)**.

4. Enter the code you receive and proceed.

5. You're in! You'll land on your personalized Home page.

Optional: Save the app for easy access

For quicker access throughout the Annual Meeting, save the ACVP 2026 app to your phone's Home Screen or bookmark it on your computer.

On your phone: Add the app to your Home Screen

If you did not add the app to your Home Screen when first prompted:

1. Open the ACVP 2026 app in your phone's web browser.
2. Open your browser's Share or Menu options.
3. Look for Add to Home Screen or Install App.
4. Follow the prompts to add the ACVP 2026 icon to your Home Screen.
5. Once added, tap the icon anytime to return to the app.

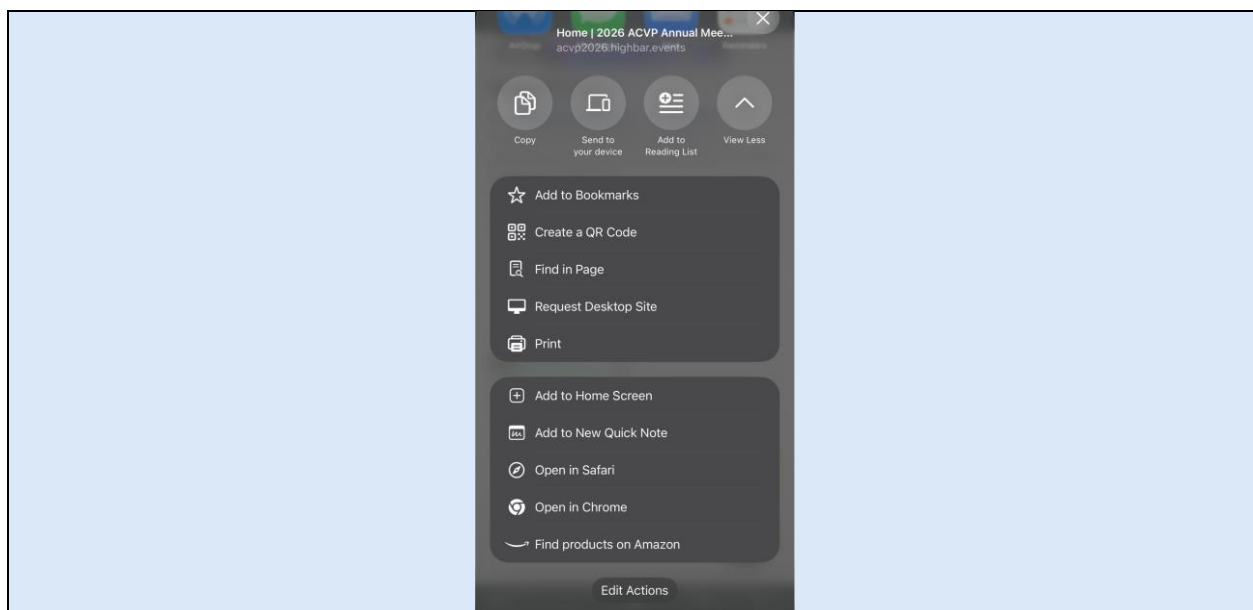

Note: The steps and availability of this feature vary by device and browser. If you do not see an Add to Home Screen option, you can continue using the app directly in your browser. Adding it to your Home Screen is not required.

On your laptop or computer: Bookmark the app

For easy access throughout the meeting:

1. Open the ACVP 2026 app in your preferred web browser.
2. Select the star/bookmark icon in your browser's address bar or open your browser menu and select Add bookmark or Add to favorites.
3. Save the bookmark somewhere easy to find, such as your Bookmarks Bar or Favorites Bar.
4. Select the saved bookmark whenever you want to return to the app.

You can also access the app anytime at <https://acvp2026.highbar.events/>

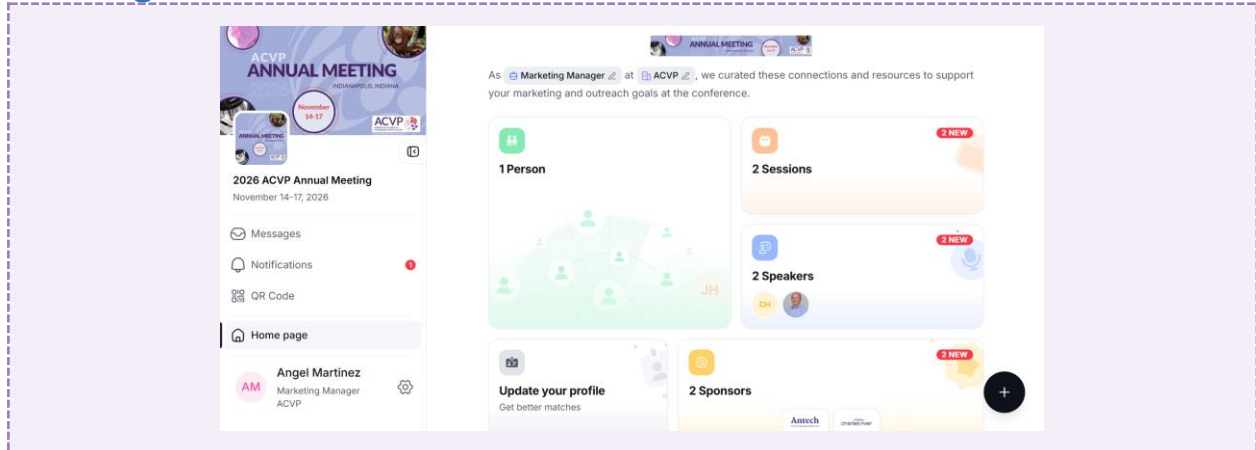

Tip

Didn't get a code? Check spam/junk, wait 1–2 minutes, then request a new code. Codes expire after a few minutes.

Getting Started – Your Dashboard

Your Home dashboard is curated just for you, based on your profile and interests. Here's what you'll find.

1. Your curated overview

Recommendations tailored to you:

- **People to connect with** – colleagues with shared interests, specialties, or roles.
- **Sessions to attend** – education that matches your interests. Bookmark them to add to **My Agenda / Saved**.
- **Speakers to engage** – presenters you may want to follow or connect with.

Tip

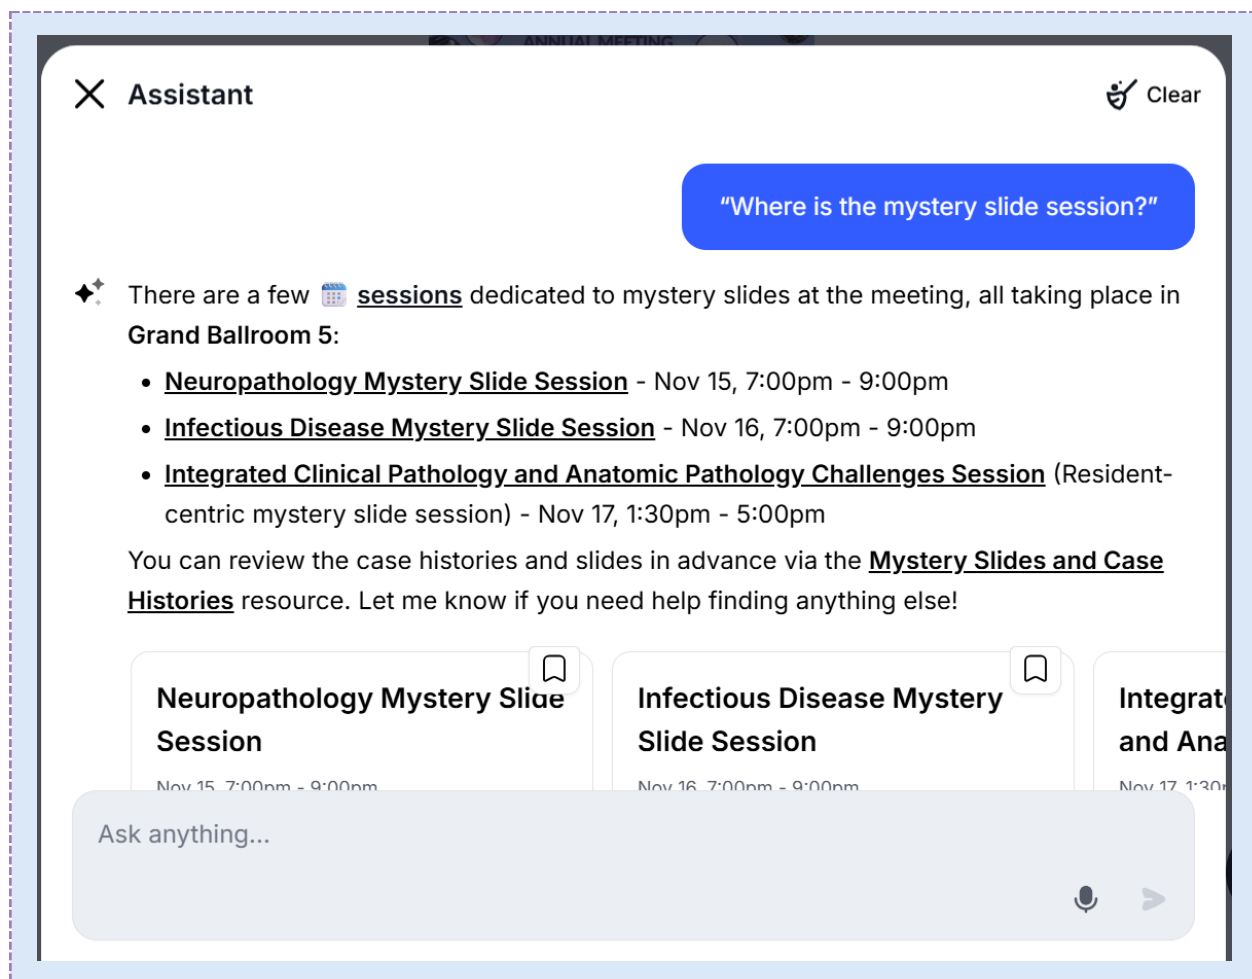

The more of your profile you complete, the better your recommendations.

2. AI Summary & Search

Ask questions and get quick answers about the meeting.

Select the black plus (+) icon on the bottom right of your screen and select 'Ask'

- Try: "Which sessions cover toxicologic pathology?"
- Try: "Where is the mystery slide session?" or "What time does the poster session start?"

Note: AI responses are based on official meeting content *ONLY*.

3. Activity Stream

The Activity Stream is the meeting's social feed. Post updates, photos, and takeaways; like and comment on others' posts; and follow announcements from ACVP.

- **Share your first post:** What are you most excited about for this year's Annual Meeting? Use **#ACVP2026**.

Your First Three Steps

Take these three quick steps right after you log in to get the most out of the app before, during, and after the meeting. Time needed: about 5 minutes.

Step 1: Turn on notifications (mobile users)

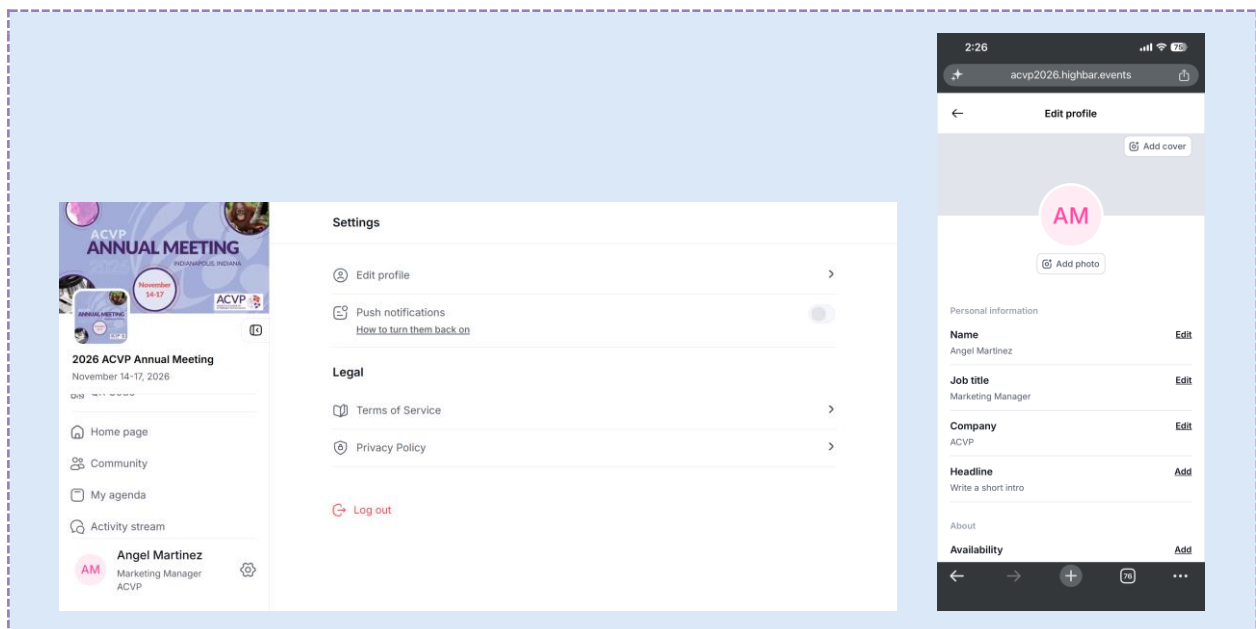

Why it matters: On-site updates – room changes, schedule reminders, and announcements – arrive as notifications.

1. When prompted, select **Allow** notifications.
2. Missed the prompt? Go to your device's Settings > Notifications > Select ACVP 2026' and turn notifications on.

Step 2: Complete your profile

Why it matters: Your profile powers your personalized recommendations and helps colleagues find you. Complete every field for the most tailored experience.

1. Navigate to the bottom left and click the gear icon next to your name and choose **Edit Profile**.
2. Add a profile photo.
3. Complete all fields:
 - **Role and Organization**
 - **Skills**
 - **Interests**
 - **Ask me about** – topics you're happy to discuss
4. Select **Save**.

Step 3: Share your first post

Why it matters: Start the conversation and connect with colleagues before you arrive in Indianapolis.

1. Go to the **Activity Stream** on your Home page.
2. Select the plus (+) icon and click Post.
3. Answer: **What are you most excited about for this year's Annual Meeting?** Add a photo if you like, and include **#ACVP2026**.
4. Select **Post**.

Email **info@acvp.org** and include the email address you registered with and the device you're using (phone, tablet, or computer).

Explore the App

Now that you're set up, take a few minutes to explore the tools and meeting information available to you under the menu (three lines to left of meeting banner at the top of the app).

Browse the Schedule

- Select Schedule to browse the Annual Meeting program.
- Browse sessions by day and time or use search and filters to narrow the schedule based on your interests.
- Select a session to view its presentations, speakers, and other details.
- Save sessions of interest to My Agenda / Saved for easy access throughout the meeting.

View Posters

Poster images are available within the individual poster listings in the Schedule as well as in the presenter's Speaker profile.

- Go to the poster session in the Schedule.
- Open the poster listings under "Subsessions" to view individual poster listings.
- Select a poster title to view its details and poster image (click on Poster in the detail).

Tip: Use search and filters to quickly find specific posters, authors, or topics.

Explore Speakers, Sponsors and Attendees

You can also use the app to learn more about the people and organizations participating in the Annual Meeting.

- **Speakers:** Browse speaker profiles and their related presentations.
- **Sponsors & Exhibitors:** Explore Annual Meeting supporters and their information.
- **Attendees:** Connect with other meeting attendees.

Find Meeting Resources

Looking for additional Annual Meeting materials?

- Select the menu icon in the top-left corner.

- Select Meeting Resources.
- Browse the available resources and meeting information.
- Look for the Scientific Program, Schedule-at-a-Glance, poster list, and more.
